

## Best Place to Host a Family Reunion

“Where do you go when you need to please the entire family—but you still want to have an utterly, absolutely Minnesota-sort of vacation? You head to **Bay Lake**, near Brainerd, where the Ruttger family has been taking care of other people’s families for more than 100 years. Ruttger’s Bay Lake Lodge offers all the amenities you’d expect of a modern resort—golf, tennis, fishing, a beach, indoor and outdoor pools, an extensive kids program, even a day spa (Aunt Judy needs her rosemary mint body wrap, after all)—while managing to evoke an intimate feel and old-school charm.”
